Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Provided opportunities for current year 5 and 6 children to have 'booster' swimming lessons if they were not able to swim 25m once they had completed their block of swimming. All of year 5 and 6 children had an additional lesson in the summer term that focused on safe self-rescue in different water-based situations.</li> <li>• Support was put in place for the three NQTs who started in September 2017. They received CPD around gymnastics and outdoor sports.</li> <li>• New P.E equipment was purchased to support the delivery of the curriculum. The equipment that we had was old and the number of balls etc. that we had had reduced over the previous three years. A stock take of the P.E equipment was completed in September 2017 and this informed the purchase of new equipment.</li> <li>• New initiatives were introduced to increase the activity levels of all children at Wallisdean Junior School – the lunch-team received training to encourage positive play that increases activity levels. 20 children were then trained up to become Play Leaders. These children now run an outdoor activity every lunch-time.</li> <li>• Permanent outdoor exercise equipment was installed and is now used by all of the children at different times throughout the school day.</li> <li>• A reaction wall was installed in the upper school quiet area but will be used by all children in the summer term.</li> <li>• The whole school took part in Everyone Active sessions at our local leisure center where they got experience some of the sports and activities they offer.</li> <li>• All the children took part in an Elite Commando session where the children were working on building their resilience and team skills in preparation for transition week.</li> <li>• The School have purchased a football Smooga to allow all children the opportunity to play football competitively and safely during their lunch times.</li> </ul>	<ul style="list-style-type: none"> <li>• Development of new P.E subject leader.</li> <li>• Develop the 'outdoor adventurous activity' component of the curriculum.</li> <li>• Whole school yoga sessions to continue.</li> <li>• Work in partnership with the Infant school with a focus on developing opportunities for games across the two schools.</li> <li>• Further develop the outdoor space at school to promote higher levels of activity in the children across the school.</li> <li>• Possible swimming booster lessons depending on the outcome of this year's swimming lessons.</li> </ul>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
--	-----------------------------------

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  <b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	34%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	34%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	60%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	Yes - Summer term booster sessions for children identified.

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2019/20		Total fund allocated: £18240		Date Updated: 17.09.19	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					Total allocation:
