

We are situated in the Infant School Hall for Breakfast Club and the Pre-school room for Afterschool Club.

We accept children from both the Infant and Junior schools and also occasionally from the Senior school. All the children are escorted to their playgrounds before school.

We pick up from the junior school staff room afterschool and the Infants are escorted to the club by their Teacher/Assistant.

Registration forms must be completed before your child attends.

Sessions must be booked and paid for in advance. We offer flexible and regular sessions for individuals' needs. You are welcome to pop in for a chat to discuss your individual requirements.

We are registered with OFSTED and staff are CRB checked.

Staff undergo regular training to improve their skills.

Children have free access to a secure outside environment and lots of opportunities for other activities.

We are also able to access the ICT suite, hall, field and sensory garden.

- Quality childcare at an affordable price for children aged 4—14years.
- To provide a warm welcome to adults and children alike within the local community.
- To work closely with the families in our care ensuring we are able to meet their needs.

Morning care consists of a choice of Healthy breakfast followed by time to play with various activities.

Afterschool care consists of a light healthy snack and a drink for your child which is included in the price.

The children plan their activities so that we can provide the correct resources.

All sessions should be booked in advance where possible. We can only accept children on the day if we have spaces.

Two weeks notice of holiday is needed otherwise you will still be charged. **48 hours notice** required for a change to sessions booked.

All booked sessions will still need to be paid for even if your child is absent.

Our Club has an established reputation, and children are often reluctant to leave at the end of the sessions. Please ask if you have any questions, we aim to make sure your that child enjoys their time here as an extension of learning, but most of all, that they have fun!
