As well as the weekly homework, other information that you may find useful in helping your child is available on our school's website:

- under **Key Information / Parent Links** there are You Tube videos to help you support your child with the Phonics Sounds and an easy to use reference to the Primary National Curriculum for KS1.
- under **Key Information** and under **Pupils** you'll find our school's Curriculum statement. Under your child's year group tab you'll find a further copy of the termly or half termly Topic Newsletters that are sent to you via ParentMail, explaining which areas of the curriculum they are focussing on.

Your regular support at home, enabling your child to practice and develop good learning habits, will help them to make the most of their EY and KS1 schooling and provide them with the skills and love of learning that they will benefit hugely from as they progress through their school years and into the modern day workplace. Thank you.
