23 November 2021

Dear Ms Cammish and all the pupils at Wallisdean Federated Schools,

I am writing to thank you for your kind donation of £333 from your school fundraising. We are absolutely delighted to have your support and cannot thank you enough for your help.

It was wonderful to meet the school council today and we want to say a huge well done and thank you to all the pupils at Wallisdean Federated Schools for raising such a fantastic amount of money.

The Rainbow Centre currently supports over 87 children and adults who have cerebral palsy, Parkinson's, Multiple Sclerosis and those recovering from a stroke or head injury, through a special technique called Conductive Education.

Each year we need to raise £700,000 to continue to provide our life changing services. Without generous support such as yours, we would never be able to reach this target. Thank you again, it really does make a HUGE difference to us and the people that we help.

The following quotes show how your donation will help;

The Rainbow Centre and CE have made a huge difference to our lives as a family. Everything we have learnt from you has allowed Ivy to be happy and full of joy. She has achieved things we thought may be impossible and it is like watching magic. – Mum of 7 year old Ivy in our Nursery and School Booster Group

Learning methods to overcome restricted mobility and improve speech has been a huge benefit, especially when playing with my grandchildren!" Steve, Parkinson's Group

We are so grateful and happy to have your support with your wonderful idea of having a Rainbow dress down day. Thank you!

Many thanks
