

Pre Loved Uniform

We are excited to be launching a permanent Pre-Loved Uniform Shop, where pre-loved school uniform will be available to families at all times and for a donation.

The Shop is not only an excellent way to reduce waste and promote eco-friendly practices, but it helps families save money on school uniforms. This is located in the entrance of the Junior School. You can come along at any time, just pick the item you need and pop a donation in the black letter box located on the wall on the left hand side.

If you have any questions, need further information, or are available to help with the looking after of the shop please do not hesitate to contact the admin office.

We do not need any donations at this time but as soon as we do, we will pop a message out.

Thank you for your time, support and commitment to making our school community even stronger. We look forward to working together to make the Pre-Loved Uniform Shop a great success.
