# Wallisdean Stay Safe Online Newsletter
Autumn 2023

This half term in our E-Safety Assemblies we have been reading stories about staying safe online. We recapped the rules on our Acceptable User Policy including:

- I will make sure all my contact with other people at school is responsible, polite and sensible.

- I will ask permission to use the Internet.

- I will tell an adult immediately if I see or receive anything I am unhappy with or do not like.

We also talked about sending and sharing photos as well as asking permission to take someone's photo. Attached to this newsletter is a Parent guide: **What Parents and Carers need to know about sharing photos online at home.**
