

## **Wallisdean Federated Schools**

### **Attendance Policy**

#### **1. Aims**

We are committed to meeting our obligation with regard to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance.

As a Federation, we will take appropriate action when necessary in order to ensure full attendance for every child.

- Promote good attendance and reduce absence, including persistent absence
- Ensure every child has access to full-time education to which they are entitled; and,
- Act early to address patterns of absence
- To monitor and support children whose attendance is a cause for concern and work in partnership with parents and carers to resolve any difficulties
- To analyse attendance data regularly to inform future policy and practice
- To work closely and make full use of the support from the wider community including the Parent Support Worker and multi-agency teams

Parents must perform their legal duty by ensuring children of compulsory school age who are registered to a school attend regularly and all pupils must be punctual to their lessons.

#### **2. Legislation and guidance**

- By law, all children of compulsory school age must have a proper full-time education. However, if your child is under compulsory school age, by enrolling them in our school your agreement to follow our attendance expectations is implied
- Parents are responsible for making sure this happens, either by registering the child at a school or by making other arrangements that provide an effective education. Failure to do this could result in prosecution
- If a child is registered as a pupil at Wallisdean Federation, the school must give permission for absence in exceptional circumstances and the education authority can take legal action against the parent(s) if the child does not attend or is late
- Children should attend school regularly to ensure full access to the curriculum.

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents> [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

Further information can be found at: [Attendance guidance for parents | Hampshire County Council \(hants.gov.uk\)](#)

### 3.7 Pupils

Pupils are expected to:

- Attend school every day, on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made

Pupils must arrive in school each day by:

Infants: 08:45 - The register for the first session will be taken at 08:45 and will be kept open until 09:00. The register for the second session will be taken at 13:15 and will be kept open until 13:30.

Juniors: 08:40 - The register for the first session will be taken at 08:40 and will be kept open until 08.55. The register for the second session will be taken at 13:15 and will be kept open until 13:30.

Registers must be completed carefully and accurately, as they provide a record of a pupil's attendance.

## 4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 09:15 or as soon as practically possible (see also section 7) by calling the school.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance, by phone or email, of the appointment and provides medical evidence.

Siblings will not be authorised to attend a sibling's appointment and therefore should attend school as normal.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the Federation can authorise.

## 4.4 Lateness and punctuality

The school day begins at 08:40am (Juniors) or 08:45am (Infants) and all **pupils are expected to be in school at this time.**

A pupil who arrives late:

- Morning registration is at 08:40am (Juniors) and closes at 08:55am or 08:45am (Infants) and closes at 09:00am
- Pupils arriving after 08:50am (Juniors) or 08:55am (Infants) must report to their school office so that their attendance (and lunch order) may be recorded. This will be coded **L** (late) in the attendance register in line with Hampshire County Council and Department of Education guidance
- Pupils arriving after 08:55am (Juniors) or 09:00am (Infants) will be officially absent for the morning session. Arrival after the close of registration will be marked as unauthorised absence and coded **U** in line with Hampshire County Council and Department of Education guidance. This mark shows them to be on site, but is legally recorded as an unauthorised absence
- 10 sessions of unauthorised absence due to lateness will result in a penalty fine.

## 4.5 Pupil Absence for the Purposes of Religious Observance

The Federation acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

[Working together to improve school attendance - GOV.UK \(www.gov.uk\)](http://www.gov.uk) page 86

## 4.6 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by phoning the priority contact list in the first instance
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use.

## 4.7 Reporting to parents

- Parents/carers can see their child's attendance on the "My child at school" App. Which shows an up-to-date record.
- Parents/carers are informed of their child's current attendance at parents' evenings by class teachers
- Parents/carers are informed of their child's current attendance at the end of the autumn and spring term
- All absences both authorised, unauthorised absence and lateness will be reported to the parent/carer at the end of the academic year within their child's report.
- Weekly class attendance percentages are emailed out on a Monday for the previous week's attendance.
- Attendance is highlighted in the newsletter termly.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The Executive Head Teacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Executive Head Teacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Executive Head Teacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare, significant, or unavoidable.

***There is no legal entitlement for time off in school term time to go on holiday, therefore holiday requests will not be authorised.***

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least one week before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Executive Head Teacher may require evidence to support any request for leave of absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed on this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed.

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The Executive Head Teacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £80 within 21 days, or £160 within 28 days.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. Strategies for promoting attendance

Whole school attendance will be reported to parents weekly via Email and the half-termly newsletter.

The attendance/admin officer at our school monitors pupil absence on a daily basis.

A child's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

Attendance data will be collected monthly to establish patterns of irregular attendance. This will include children with: incomplete weeks; Monday and Friday absences; lateness; periods of extended absence; periods of unauthorised; and all children with attendance below 90%. This data will be discussed with the Executive Head Teacher and attendance panel as part of the regular half-termly meetings.

The persistent absence threshold is 10%. If a child's individual overall absence rate is greater than or equal to 10%, the child will be classified as a persistent absentee.

Child-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

We collect and analyse attendance data, for example, to:

- Track the attendance of individual children
- Monitor and evaluate those children identified as being in need of intervention and support

See also Attendance Flow Chart and Lateness Flow Chart.

## **7. Supporting pupils who are absent or returning to school**

### **7.1 Pupils absent due to complex barriers to attendance**

When pupils are absent due to complex barriers to attendance, such as family issues, socio-economic challenges, anxiety, or other external factors, the school will support by

- Understand the Root Cause
- Provide Tailored Support
- Engage with External Agencies
- Promote a Positive School Experience
- Support Emotional Well-being

## **7.2 Pupils absent due to mental or physical ill health or SEND**

- Parent support to work with the parent(s) and Mental Health support to work with the child.
- Maintain communication during the absence. Via class Teacher providing any necessary resources or materials to continue their education remotely if possible.
- Transition Plan, create a transition plan for the child's return to school to outline steps for their return and support needs
- Emotional Support/ Social Integration Provide access to ELSA or other forms of support.
- Collaborate with the Inclusion leader to provide necessary support for SEND children.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that relate to the pupil's needs, the school will inform the local authority.

## **7.3 Pupils returning to school after a lengthy or unavoidable period of absence**

When pupils return to school after a lengthy or unavoidable absence, the school will provide them with support and guidance to help them reintegrate smoothly.

- Welcome Back and Reassurance,
- Transition Plan, create a transition plan for the child's return to school to outline steps for their return and support needs
- Emotional Support/ Social Integration Provide access to ELSA or other forms of support.

## **8. Attendance monitoring**

### **8.1 Monitoring Attendance**

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the Executive Head Teacher and Attendance Champion. At every review, the policy will be approved by the Full Governing Body.

The Executive Head Teacher and attendance panel will discuss the impact of the Schools' Attendance Policy and the strategies used to promote good attendance annually and the Executive Head Teacher will recommend an attendance target to the Governors.

The school will benchmark its attendance data at the whole school, year group, and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing body.

The Governors will set and review an annual target of attendance.

### **8.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 8.3 Using data to improve attendance

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing body and school leaders (including special educational needs co-ordinator, designated safeguarding leads, and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

### 8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

## 9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum of 1 Year by Executive Head Teacher and Attendance Champion. At every review, the policy will be approved by the full governing body.

## 10. Links with other policies

This policy links to the following policies:
